

[ETHICAL. PROFESSIONAL. CARING.]

“WE DIDN’T HAVE TIME TO BE TERRIFIED.”

When a hurricane hit the jail, Debbie cared for inmates and community evacuees for three straight days. She’s the kind of professional you find at Prison Health Services, a leader in private correctional

health care. With more than 28 years of experience, PHS makes the best use of taxpayer dollars to deliver quality care and improve public health. Prison Health Services. *Take a closer look.*
